A Trip to the Countryside

Emma and her family decided to spend their weekend in the countryside. They left their house early in the morning and drove for two hours to a small village surrounded by beautiful mountains. The village was quiet, and the fresh air made them feel relaxed.

First, they visited a local farm where they could see cows, horses, and sheep. Emma was excited to feed the animals. The farmer explained how they took care of them and even let Emma try milking a cow. She found it very interesting but also a little difficult.

In the afternoon, they went for a walk in the forest nearby. Emma and her younger brother collected colorful leaves and small stones as souvenirs. They also saw a deer and some rabbits. It was a wonderful experience for the whole family.

On their way home, Emma said, "I wish we could stay here longer!" Her parents promised that they would visit again soon.

田舎への旅行

Emma と家族は、週末を田舎で過ごすことにしました。彼らは朝早く家を出発し、車で 2時間かけて美しい山々に囲まれた小さな村へ向かいました。村は静かで、新鮮な空気がとても心地よく感じられました。

まず最初に、彼らは地元の農場を訪れました。そこでは牛や馬、羊を見ることができました。 Emma は動物たちに餌をあげるのを楽しみにしていました。農場の人が動物の世話の仕方を説明し、さらに Emma に牛の乳しぼりを体験させてくれました。それはとても興味深かったですが、少し難しくも感じました。

午後には、近くの森を散策しました。Emma と弟は、お土産としてカラフルな葉っぱや小さな石を集めました。また、鹿やウサギを見ることもできました。家族全員にとって素晴らしい体験になりました。

帰り道、Emma は「もっと長くここにいられたらいいのに!」と言いました。すると両親は、「またすぐに来ようね」と約束してくれました。
